# Health Literacy Strategies & Resources

**April 5, 2018**

**12:00-1:00 pm**

**UNC Health Sciences  
Library Room 527**

This interprofessional class will help to increase awareness of the problem, recognize the consequences of low health literacy, and provide practical strategies and tools to improve clear health communication. Attributes of a health literate health care organization and best practices will also be covered.

**Free and open to students, faculty, staff and practitioners**

Presented by Terri Ottosen, M.L.I.S., AHIP
